

Carinity Colthup Manor

Carinity Aged Care. Living with purpose.

Your community

Located in a premium Ipswich CBD area, Carinity Colthup Manor offers everything you need from an aged care community, with the essentials at your fingertips. Colthup provides a full range of care, including permanent residential care, memory-assisted living and palliative care.

Your every need is taken care of with regular visits from health professionals, such as general practitioners, dentists, podiatrists and physiotherapists, which occur in our Consulting Room or in your suite.

We also believe good food is essential for good health. Our on-site chef loves cooking up beautiful fresh meals for our residents, along with a range of freshly baked cakes and sweets. We make sure there's something on the menu for everyone.

However, if you simply wish for some quiet time, there are retreats on every floor offering the peaceful space to reflect, read a good book from the library or watch a movie. Whatever your interests are, we can help you achieve your goals. You'll always feel at home at Colthup Manor.

Accommodation options

We have a range of options to suit all needs and budgets across our vibrant community. Choose from private or shared rooms with or without ensuite.
