**Carinity Aged Care. Living with purpose.**

## Your community

Situated in a prime location in North Rockhampton, Carinity Shalom overlooks a picturesque lagoon filled with an abundance of river wildlife and birds. We have walking trails, seating areas, a barbeque and gazebo beside the lagoon for the enjoyment of the residents and their families.

Shalom has been providing quality care in Central Queensland since 1985. We have a range of facilities for residents to enjoy such as the community hall and multipurpose activity centre. An array of activities and events are organised on site, so there's always plenty to do at Shalom, such as crafts, indoor bowls, board games, concerts, fashion shows and other entertainment.

We also offer retirement lifestyle living on site, enabling couples to remain connected if one partner requires a higher level of care. We offer permanent residential aged care, dementia specific and respite at Carinity Shalom.
