

Carinity Clifford House

Carinity Aged Care. Living with purpose.

Your Community

Clifford House was the first community established by Carinity in 1949. Since then, it has evolved into a warm and welcoming community where residents enjoy a tranquil lifestyle. Situated in the beautiful Brisbane suburb of Woolloowin, Clifford provides permanent residential care, including memory assisted support, as well as respite care.

Enjoyment is at the heart of life at Clifford House. Our varied activities and entertainment program is designed to suit the interests of our residents, and regular live musical performances are a real highlight. Regular coffee mornings are another great social occasion to catch up with family and friends. Our chaplain conducts nondenominational devotions each week and visitors of other religious groups provide support for those of other faiths.

The lovely gardens include outdoor seating areas which are the perfect place to enjoy the sunshine and admire the abundant flowers.

Accommodation Options

We have a range of options to suit all needs and budgets across our beautiful community. Private rooms are available, as are shared rooms which offer all the benefits of companionship and conversation.
